

A promotional image for the movie "X-Men: Wolverine". The central figure is Hugh Jackman as Wolverine, looking intensely at the viewer with his signature adamantium claws extended from his hands. He is wearing a dark, textured leather suit. Surrounding him are several other characters: a woman with long white hair and a black leather suit to his left; a man with blue skin and yellow eyes to his far left; a woman with blonde hair and a black leather suit behind him; another woman with blonde hair and a black leather suit to his right; and a woman with blue skin, yellow eyes, and a headband to his far right. The background is a dramatic, cloudy sky.
